Important notice about Samsung Hub

**Dear Samsung Music Customer,****Samsung Hub Music will no longer be available as of July 1, 2014.**

After that date, the music in your Samsung Music library will no longer be available for download. Please be sure to download all purchased music from Samsung Hub and to use any remaining vouchers for Samsung Music before July 1, 2014. The music you download from Samsung Music is DRM-free, which means you will be able to play, store, and transfer these files even after that date.

As alternatives, we are offering Milk Music<sup>SM</sup> and Google Play Music, two new exciting music services we think will enhance your music experience with Samsung products.
